JANUARY 16TH, 2022 STATED COMMUNICATION
FEBRUARY 11TH, 2023 MASTER MASON DEGREE AT 10:00 AM.

FROM THE EAST

My brothers, I hope this message finds you all healthy and safe! So, as we put a close to 2022, I would like to take this time to thank all our officers and craft for an excellent year! We did accomplish a lot and without your continued support, we would not be moving in a positive direction!

I would like to give a special thank you to RW, Tracy Chastine for an amazing lecture (Point in a Circle), and as he moves to his new research position next year, we extend our extreme welcome for further lectures of this caliber!

In review... We have made excellent improvements to our lodge and building (tiled entrance, replaced storm windows, replaced the fire escape, replaced the air conditioner system, fine-tuned our funeral services, improved in our ritual, increased lodge education, established a Facebook page, created an activities committee, increased our scholarship charities, became more involved with the community, showed appreciation to our past masters, widows, and Eastern star but most important we made New Masons). Not a bad year!

I would like to thank the craft for allowing me to serve another year and assure you, that we will continue to move in a positive direction! Next year we will continue to seek out new members and fill our officer- chairs with new brothers willing to move up. We will continue to work on activities in our lodge, but now extend them to joint lodge activities. We will continue to improve in ritual through practice, Grand lodge education, open books, school of education and outside education. As always, we will continue to accept constructive suggestions for improvement!

In closing, I believe this will be an excellent year moving forward and I urge you to get involved! My brothers all, please join me in prayers for all our brethren, their families, our military, first responders, police, fireman, and all medical personals!

Amen

Bob Segarra Worshipful Master

FROM THE WEST

Greetings from the West,

Brothers I'd like to thank you for electing me to be senior warden for the year 2023.

Looking forward to serving the craft for another great year.

Under the direction of the Worshipful Master, we going to have a great year.

If I can be an assistant to any of the brothers just let me know.

Henry Davis

Senior Warden

FROM THE SOUTH

Greetings Brethren, what an honor to serve this great Lodge as Junior Warden in the coming year! I would be remiss if I didn't thank my predecessor, Brother Jonny Magill for his stewardship this past year. Thank you, Jonny! I have some new ideas for educational programs for our meetings, to include bringing in some outside speakers that we have not heard before. The greatest resource any Lodge has of course is its members. If any brother has an idea for a Masonic education program, please let me know and I will be happy to assist you in preparing your topic to be presented in the Lodge. Most folks are hesitant to speak in front of a group, but with a couple of helpful hints and some tools we have at our disposal it is really very easy to do. Bring me your idea and we'll find a way to make it happen! We are also looking at making some improvements to the Lodge building itself to try to "spruce things up a bit" as well as preserving the Lodge itself in the long term. All ideas are welcome!

Please feel free to contact me at w3srl@yahoo.com or at (412) 292-1444. I wish you and yours the happiest (and safest!) of holidays!

Brothers, please call the lodge, or email the lodge if you, or a member of your family, or a brother you know is having surgery, or just needs someone to talk to. Leave a message and we will get in contact with the Chaplain and put you, them on our pray list. Check the lodge out on Facebook, and our new web site is up and running and you will see the activities, updates and articles on them.

BROTHERS, if you want to pay your dues by credit card or debit card DO NOT go through circumscribe. Call the secretary and if I am not in the office leave a message for me to call you back to get your information. Or you can call Grand Lodge and talk to Angela in accounting and she will take your information. This is a temporary fix for brothers who want to pay by credit or debit card. New Smyrna Lodge **DOES NOT** keep you credit or debit card information on file. Neither does Grand Lodge, it is destroyed after I enter the information to Grand Lodge.

Classes Of Masons

A new initiate returns home to his wife who is naturally curious to know what went on. The conversation goes something like this:

She) Well how'd it go ?

He) Very well - most interesting

She) What did go on ?

He) I'm not really sure if I can tell you about it.

She) Well is there anything you *can* tell me ?

He) Well it seems there are 3 classes of men in the Lodge -walkers, talkers and Holy men.

She) What do they do - if you can tell me ?

He) The walkers walked me around the lodge. The Talkers talked to me and to the walkers as I was led around

She) And the Holy men ? What of them ?

He) They seem to be a special class of men - all in dark blue and gold aprons and gauntlets. They just sit on the benches around the lodge with their heads in their hands chanting repeatedly - "Oh My God Oh My God!

A Long Time

A little before Lodge is about to open an old man totters up to the Tyler and says, " I'm here to receive my 2nd degree." Well, they all look at this guy, who really is older than dirt, and they ask him to explain. "I was entered on July 4, 1922. Now I'm ready for my 2nd degree." So they go scurrying for the records, and sure enough, there was his name, entered on July 4, 1922. "Where have you been all these years? What took you so long to be ready for your 2nd?" they ask. He replied: "I was learning to subdue my passions!"
